**WAYS TO UNWRAP
CHRISTMAS CALM:
BECOME A PEACEMAKER
THIS SEASON.**

1

SPREAD POSITIVITY.

Share uplifting messages, cheer, and goodwill when interacting with others in person or online. Remember that Jesus lives inside of you, so represent him well in how you show up — your attitude, how you treat others, and the words you choose.

2

PRACTICE PATIENCE.

Steer away from tension this season when picking up a holiday gift, waiting in line, navigating through a parking lot, or sitting down with family members at Christmas dinner. Give others grace and understanding because you never know what others may be going through behind the scenes.

3

SHARE A MEAL.

Invite someone new or less fortunate to join you and your family at your holiday meal. Breaking bread with others fosters a sense of community and helps us share Jesus's love in action.

Spend the Season with FMBC In Person & Online!
